Sir:

**INFORMATION DISCLOSURE STATEMENT**

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

A copy of the Search Report for the corresponding Norwegian application is enclosed. The enclosed International publication corresponds to SE-B-468,061 and U.S. 3,098,785 is already in record.

In accordance with 37 CFR 1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

**Mailing Receipt**

I hereby certify that this correspondence is being deposited on the date given below with the United States Post Office Service as First Class Mail in an envelope addressed to Commissioner for Patents, Washington, DC 20231.
